ANNUAL REPORT

CENTER FOR MISSION AND EVANGELISM
OF THE EVANGELICAL CHURCH
OF THE AUGSBURG CONFESSION
IN POLAND

2015 IS BEHIND US

Dear readers of the report

The year 2015 in the Evangelical Church of the Augsburg Confession in Poland was the Year of Evangelical Culture, accompanied by the biblical text from the Letter to Romans 15:7: "Accept one another, then, just as Christ accepted you, in order to bring praise to God."

In our actions we were mainly highlighting the idea of no divisions, focusing on mutual respect, acceptance and understanding that the other person may have a different point of view and that we should try to keep the peace and build good relationships. Secondly, that we as Christians should follow Jesus Christ in our lives, take care of other people's wellbeing, not concentrate on their flaws, and to take care of our own actions and take responsibility for them because this is the only way to experience unity and unanimity in Christ.

"Christians should act as their Savior did. He accepted the people no matter what, once for all ... Peace and unanimity are the most important things in common praise for God and Father of our Lord Jesus Christ (see Rom 15:6). It is also important that by this attitude of "accepting" we not only mean tolerating the second person but that we focus on a real, deep, existential engagement for his or her good, also in taking on his or her weaknesses and shortages." Dr. Dominik Nowak

In our work throughout the year we used two slogans, promoting them at the same time:

slogan to be used in the Church and other Christian backgrounds

slogan depicting the CME as the Public Benefit Institution

AS THE INSTITUTION WE HAVE BEEN ACTIVE IN POLAND FOR THE LAST **19 YEARS**, AS THE PUBLIC BENEFIT INSTITUTION WE HAVE BEEN WORKING FOR THE LAST **11 YEARS**.

WE COOPERATE, MOTIVATE, EDUCATE AND PROVIDE PRACTICAL SUPPORT for initiating enlivening and developing – basing on Christian values – education, culture and voluntary activities. We act ecumenically for improving life quality of children, youth, adults and seniors.

FOR FAMILIES – EVANGELISTIC CRUSADES

The aim of three Evangelistic Crusades was the proclamation of Gospel about Jesus Christ, according to the words from the Book of Acts 4:12: "Salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved." Through these events we want to help people in getting to know God closer and deepening their faith through studying God's Word, prayer and meetings with other believers. Each person, no matter the age, education or any other criteria, needs a personal relationship with Jesus Christ, therefore these crusades are for all age groups (children, youth, adults), environments and social groups.

The theme of the Crusades in 2015 was "Without Limits".

IN DZIĘGIELÓW, 4-12th June, the crusade took place for the 66th time. There were 9 days of seminars (23), concerts (8) and evangelistic meetings (9). Ca. 20,000 people, including children, people on the internet and 253 volunteers, participated. The Biblical lectures (audio) and the main meetings at 5 p.m. (audio and video) were broadcast on the internet.

There were over 300 children participating in the meetings from Monday to Saturday; ca. 850 youth and adults participating in the evening concerts with a message, ca. 280 participants during seminars from Sunday to Saturday, and 30 volunteers, including over 20 working with children.

FOR THE PEOPLE AFFECTED BY CRIME

In 2014 we started the Centre for People Affected by Crime, seated in Gliwice and in 11 branches in Silesia. In this centers we offer free, professional and complex help to those who are aggrieved by crime. This project is co-financed by the Ministry of Justice. In 2015 we gave 796 hours of psychological care, 729 hours of legal advice, and 565 people used our help. There were also some actions promoting the center and specialist trainings, e.g. in the frames of mediation for the Social Welfare Centers workers in Bytom and Świętochłowice, for the workers of Stowarzyszenie Pomocy Wzajemnej "Być Razem" (the Mutual Help Association "Be Together") in Cieszyn, for the social service workers in Racibórz.

Week of Help for the People Affected with Crime (23-28.02) was a special event for us, during which we organized advice in the following areas: legal, mediation, psychological, custody etc. During this week there were duties in the Social Welfare Center in Gliwice and the seats of social partners, e.g. District Court in Gliwice, Social Welfare Center in Katowice, District Court in Bielsko-Biała.

In April we opened a new branch of our center in Bielsko-Biała, and in June we organized "Sport Day", an event in which the workers of the Social Welfare Center in Gliwice and CME workers and volunteers were engaged. Some of the parents of children we work with were also volunteers during this event. This was incredibly important from the point of view of our project goals. Parents who normally have problems with abstinence, spent their time with children in a constructive way. In June, the workers of the Social Welfare Center in Gliwice and its branches together with volunteers gave legal and psychological advice during the Evangelistic Crusade in Gliwice. They also had a seminar on the ways of help for the people affected by crime.

In November, the coordinator of the project, Magdalena Fornal, received an award for the social activity in the frames of social projects, realized by the CME with the Social Welfare Centre in Gliwice. It was a great joy for us. The award was given during the gala, organized on the occasion of the 25th anniversary of the Social Welfare Centre in Gliwice.

In December, the workers and volunteers visited 85 families in Gliwice, who are in a specially difficult material situation. Thanks to the support of HL Display company from Gliwice, these families received Christmas gifts, consisting, among other things, of food. The workers from Asseco Poland S.A. were also helpful in this matter, and the large part of clothes were given by a wholesale outlet from Wista.

On 19th December, the workers and volunteers from the Social Welfare Center organized Christmas Meeting for 70 children from poor families living in Gliwice.

Through the whole year 2015 we were realizing a project of intersectoral cooperation of help for children and youth, in the frames of the Social Welfare Center project "Streetchildren". The company Asseco Poland S.A., CME and the Social Welfare Center in Gliwice were engaged in this project.

”

Today mission means giving your testimony of Christ full of love to the neighbor, with word and actions, respecting dignity of every person, no matter who he or she is. Christian is a neighbor (see Lucas 10:36-37) of every person he or she meets, as Christ has taught. Loving others – poor and rich, sick and healthy, nice and insolent, friends and enemies, employees and bosses, victims and offenders, Christians and Muslims, believers and atheists – requires humbleness and ability to accept the neighbor without prejudices. Therefore it is also important to engage socially for the sake of local community and to go beyond our environment.
Rev. Grzegorz Giemza, CME director

COUNSELLING HELP

Throughout the year, in the Center there were family counsellors, pastors and supervisors available – people qualified at the Counselling and Supervision Courses, certified by the Polish Association for Counselling and Pastoral Psychology, and a court mediator. They were meeting with people interested in this form of counselling. All of the people are required to keep the principle of confidentiality and so called counselling confidentiality.

CHARITABLE AND SOCIAL ACTIONS

CHRISTMAS PRESENT

In 2015 this action was organized for the 15th time already. Together with all the givers we sent 5013 gifts: 980 to Belarus, 1980 to Ukraine and 2053 to Romania. The action in Poland started in September and finished in December, with participation of 115 congregations from the Evangelical Church of the Augsburg Confession and the Evangelical and Reformed Church, over 30 schools and over 300 volunteers and local coordinators in the whole country.

The goals of this action are unchangeable: to bring help to those who are in need, to teach empathy and sensitivity, to show that even if you don't have much, you can give something, to give the possibility for charitable action. It was possible because of the engagement of various people: teachers, school pedagogues, pastors, students, children from kindergartens and many more.

A LETTER TO THE BABY

This is a simple idea: our streetworkers ask children they work with in Bobrek and Rozbark to write a letter to the Baby. Then their letters are given to people or groups who prepare gifts for this small authors of these letters. It is not about giving money – it is about buying, packing and bringing the present for a certain kid. Just before Christmas Eve, streetworkers met with children by the Christmas tree. They spent this time as if they were a family. Children were eating Christmas delicacies, singing carols, talking about Christmas. They also received gifts prepared by the participants of this action. In 2015 28 people/groups/families prepared 29 gifts for 42 children (19 girls and 23 boys). The total value of the gifts was equal to PLN 2,900.

FAMILY FOR A FAMILY

This fund was established in 1999. We collect the money for helping the families in a particularly critical financial situation. In 2015, the regular support was given to 5 Silesian families and 2 families from Masuria, with the amount from PLN 200 to PLN 500 per month. From January to December 2015 the regular support in the total amount of PLN 17,000 was given to seven families. In June the money from the fund covered participation of two families in the Evangelistic Crusade in Dzięgielów (total amount of PLN 880). Due to this fund, several teenagers the UNO streetworker group from Bytom works with, were able to participate in the "Cool! Youth Camp" (support in the total amount of PLN 750). Altogether, in 2015 we gave financial support in the amount of PLN 19,330. 17 families are regular funders.

”

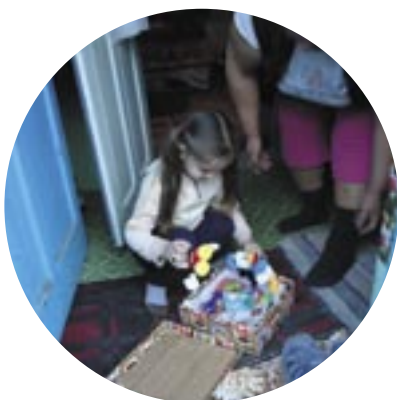

Most often we help single-parent families, large families that are in crisis because of death or illness of one of parents, or job loss of both parents. Marek Cieślak, journalist, takes care of the Family for a family fund

GIVE CHILDREN HOPE

The following people applied for the donation: parents, caretakers and the congregations. Children took part in the winter camps and camps organized by the Center for Mission and Evangelism in Wisła Czarne, Mrągowo, Piosek and in the Evangelistic Crusade in Dzięgielów.

WOMEN'S SECRET MISSION

We organized this social campaign from 8th March to 26th May for the women citizens of Burkina Faso, one of the poorest countries in Africa. It was accompanied by the slogan "We have more in common than you think". It all started with a request from the women living in Pobe Mengao district to the CME volunteer – they asked her for underwear. It is hardly available in Burkina Faso and those women can't afford it. In Dzięgielów we came up with an idea for a campaign and due to our contacts we were able to create a net of coordinators, both local and from abroad (London, Czech Republic, Canada). "Secret Mission" was about buying the new underwear, made of natural fabric, encourage other women in our surrounding to do the same and send it to one of 34 places in Poland. This simple idea of helping African women gave incredible results. We received 1,898 bras, 4,224 pants, sent 13 packages. There were 35 volunteers coordinating this campaign in Poland, and 25 cities participated. After 5,000 km the packages, of total weight 260kg, reached women in Burkina Faso.

MEDIA AND OTHER THINGS

WARTO PUBLISHING HOUSE

In 2015 we published 7 books: "Rozmowy przy studni" (Conversations by the well) by Rev. Prof. Manfred Uglorz, "Narodziny perty" (The birth of a pearl) by Lidia Czyż, Calendar 2016, "Łzy" (Tears) by Paweł Anweiler, "Modlitewnik kobiet" (Women's prayer book) edited by Aleksandra Błahut-Kowalczyk and Katarzyna Rudkowska, "Dzień się przybliżył (The day has come closer) by Rev. Prof. Manfred Uglorz and "Trauerbegleitung in unterschiedlichen kulturellen, sozialen und religiösen Kontexten" edited by Patricia Dobrikova, Walter Gebhardt, Grzegorz Giemza, Vasile Grajdian and Adrian Kacian.

Warto published also two CDs: the CME Music Band „Live in Filadelfia” and the Ecumenical Choir from Karpacz „Rok kościelny w pieśni”, and also radio drama for children "A fairy-tale room" together with 34 CDs with lectures and seminars from conferences and Evangelical Crusades 2015. Altogether we published 44 publications.

We have also led the radio program, e-magazine "Warto" (www.warto.cme.org.pl) and served during all the events organized by the CME, preparing leaflets, posters, invitations, certificates, banners, updating websites. We also cooperated with parishes, the Church's office and other institutions.

RADIO PROGRAM "PO PROSTU"

This program from the very beginning (2003) is created in the cooperation with the parish in Gliwice. In 2015 we produced 365 half-hour long programs, broadcasted every day at 21.00 in the Radio CCM and on the internet. We had a few thousand listeners (there are no audience ratings in small cities done, nor are they done in the Czech Republic where we have a large group of listeners.) During the phone competitions, organized about twice a month, we used to talk to children and elder people. We found out that we have listeners in big cities and small villages of Silesia and Lesser Poland, and also in the Czech Republic. We receive signals that the number of people listening us on the internet is still increasing.

Our programs were also broadcasted in the Polish Radio Program 1. (four programs from the cycle "Churches in Poland and in the world"). We recorded four books: "Narodziny perty" by Lidia Czyż, "Wybaczyć Bogu" by Piotr Gąsiorowski, "Modlitewnik kobiet", and a cycle of articles written by Lutheran pastors "Książd po godzinach" ("A pastor after hours"). We cooperate with 18 volunteers on the regular basis, mainly with pastors who record their Bible devotions. Together with TWR Impulse Poland we realize the cycle "Understand the Bible", devoted to the historical books of the Old Testament. Thanks to the "Głos Ewangelii" foundation, once a month we broadcast reportages on the topic of "Real people, real stories." Throughout the year we participated in meetings with the listeners, e.g. in Jastrzębie-Ruptawa, Cieszyn, Dziegielów, Ustroń, Wisła-Jawornik. Most of these meetings were combined with a Bible lecture given by our editor.

E-MAGAZINE "WARTO"

This is the second year of publishing the magazine on relationships and spirituality on the internet on the website warto.cme.org.pl. The new, free issues were published there each quarter. In 2015 various authors-volunteers, and there were 25 of them, were writing "Letters to..." a second person, the world, themselves and God. The archive issues of "Warto" magazine are also available in the Digital Silesian Library.

"WARTO" BOOKSHOP

The bookshop works in two areas: stationary in Cieszyn and on the internet at www.warto.com.pl. In 2015 there were over 3,000 titles available – books, CDs, radio dramas, films etc. We had over 10,000 individual clients and led 21 outer stands in the whole country. Among our clients were the following parishes and organizations: 98 Lutheran parishes, 3 dioceses, Polish Ecumenical Council, Polish Evangelical Society, Evangelical Methodist Church, Silesian Evangelical Church of Augsburg Confession in Czech Republic, Polish Diaconia, Evangelical Center for Diaconia and Education in Wrocław, Christian Theological Academy in Warsaw etc.

WEBSITES

In 2015 we had the following websites: cme.org.pl, warto.com.pl, tpipp.pl, egzegeza.pl, prochrist.pl and subdomains: war-to.cme.org.pl, materialy.cme.org.pl, szkola.cme.org.pl, poradnictwo.cme.org.pl, prezent.cme.org.pl; 5 blogs: oblicza-afryki, odkrywanie-afryki, streetworker.blogspot.com, naukrainie.blogspot.com.
